

Tuck Pillow Directions

This pattern is suitable for a finished cross stitch design up to 3.5 in x 3.5in.

1 Use the Tuck Pillow Pattern to cut necessary pieces. Be sure to iron everything.

2 Place borders on neutral fabric (On cross stitch design in doing a complete pillow). Stitch in place with folded side in. Iron.

Note: stitch close to the edge so stitching is not visible when the back is added.

3 Place the back and front right sides together and stitch in place. **Leave a small opening at the bottom for turning.**

4 Turn out pillow, stuff and close the opening.
